

Funny animal parade

A movement game for children

Watch out!

Today there is an animal parade in town.

Come along and accompany them.

Do you know all the animals in the parade?

Come and join us through town.

On we go:

At the front you'll find of course the king of the animals:

Walk like a proud lion. 

Gallop like a horse. 

Plod like a big fat bear. 

Jump like a frog. 

Walk on your toes like a bird. 

Waddle like a penguin. 

Run quickly like a squirrel. 

Fly and flap your arms like a butterfly. 

Crawl on the ground sideways like a crab. 

Crawl on the ground slowly like a turtle. 

Swim lively like a fish. 

Jump like a rabbit: left, right 

Fly elegantly like an eagle. 

Wind like a snake on the ground. 

Jump high like a kangaroo 

Stand on one leg like a flamingo. 

Sneak like a tiger on its paws. 

Even the longest parade comes to an end.

Now you can rest and sleep like a sloth.
